The most personal project to date from Academy Award®-winning director and writer Alfonso Cuarón, ROMA follows Cleo (Yalitza Aparicio), a young domestic worker for a family in the middle-class neighborhood of Roma in Mexico City. Delivering an artful love letter to the women who raised him, Cuarón draws on his own childhood to create a vivid and emotional portrait of domestic strife and social hierarchy amidst political turmoil of the 1970s. ROMA is now nominated for three Golden Globe Awards including Best Director and Best Screenplay.
